## CLAIMS

We claim:

1. A trailer hitch coupling kit for aiding a driver in coupling the tow ball of a towing vehicle and the socket of a trailer coupler, by enabling the driver to view the tow ball and a guidepost mounted above the trailer coupler while seated in the driver's seat of the towing vehicle, comprising:

a mirror assembly having a mirror base being substantially flat with a front side and a back side, a mirror secured to said front side of said mirror base, and two support legs pivotally connected to said mirror base;

means for attaching said mirror assembly to the rear of a towing vehicle;

a trailer coupler guidepost comprising a rod having a first and second end, and a visual aid attached to said first end of said rod;

means for attaching said trailer coupler guidepost to a trailer drawbar; and

a carrying case.

2. The trailer hitch guide kit according to claim 1, wherein said mirror and said mirror base are substantially square.

- 3. The trailer hitch guide kit according to claim 1, further comprising at least one demarcated area for recording mirror setting information, said demarcated area located on said back side of said mirror base.
- 4. The trailer hitch guide kit according to claim 1, wherein each of said support legs has a substantially square cross section.
- 5. The trailer hitch guide kit according to claim 1, wherein each of said support legs is connected to said mirror base via a sleeve and spindle hinge with graduated markings on the spindle.

wherein said means for connecting to one of said support legs of said mirror assembly is a spindle and sleeve hinge extending from said horizontal segment of each of said distal members.

The trailer hitch guide kit according to claim 6,

- 8. The trailer hitch guide kit according to claim 1, wherein said rod of said trailer coupler guidepost is telescoping and said visual aid is a disk having a first side and a second side with reflective material attached to each of said first side and said second side.
- 9. The trailer hitch guide kit according to claim 1, wherein said means for attaching said trailer coupler guidepost to a trailer drawbar is a magnet pivotally connected to said second end of said rod of said trailer coupler guide post.

LITMAN LAW OFFICES, LTD. P.O. BOX 15035 ARLINGTON, VA 22215 (703) 486-1000 10. The trailer hitch guide kit according to claim 1, wherein said carrying case is adapted to receive said mirror assembly, said means for attaching said mirror assembly to the rear of a towing vehicle, said trailer coupler guidepost and said means for attaching said trailer coupler guide post to a trailer drawbar.
